**SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT**

Mail Stop Amendment  
Commissioner for Patents  
PO Box 1450  
Alexandria, VA 22313-1450

Honorable Sir:

This Supplemental Information Disclosure Statement is submitted in compliance with 37 C.F.R. §§ 1.56 and 1.97 through 1.98. This Supplemental Information Disclosure Statement places EP0816893 & EP1010030 listed in the specification and/or original Information Disclosure Statement formally of record in accordance with the Examiner's suggestion.

Record is attached of published art for consideration during prosecution of the above-identified patent application. No representation is made or intended that a search has been made or, if made, was complete, or that no more pertinent art than that listed is available. It is

expected that the Patent and Trademark Office will conduct an independent search for relevant prior art.

Unless otherwise indicated, or unless references cited are U.S. patents or patent application publications, a full text copy of the entire reference of published art is attached. Where specifically indicated, an equivalent English language patent or publication is attached in lieu of the translation. Where "translation" is checked on PTO Form A820, it may indicate a partial translation, e.g. of an abstract or claim.

Unless otherwise indicated, a full-text copy of each cited reference is attached. An English language version of the International Search Report is also supplied to provide a concise explanation of the relevance of any references not in the English language.

In accordance with the Patent and Trademark Office Notice of August 15, 1980, also enclosed is a completed Form PTO-A820 (Form PTO-1449).

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Michael L. Dunn", with a long horizontal flourish extending to the right.
